About the Journal

The publication of *Literature and Aesthetics* has been made possible through the generosity of the Chancellor's Committee of the University of Sydney. Established in 1977 on the initiative of the late Sir Hermann Black, the Chancellor's Committee comprises a group of voluntary workers raising money for projects of university-wide significance. Grants totalling \$1m have been made for a wide variety of projects including Library art collections and rare books conservations, scholarships, furniture and furnishings for various buildings, equipment, and other minor projects. *Literature and Aesthetics* is the first University-based journal to receive the support of the Chancellor's Committee. The *Sydney Society of Literature and Aesthetics* wishes to express its sincere gratitude for such unique and encouraging support. Visit the Chancellor's Committee website at: www.usyd.edu.au/su/ccs/
