## *About the Journal*

The publication of *Literature and Aesthetics* has been made possible through the generosity of the Chancellor's Committee of the University of Sydney. Established in 1977 on the initiative of the late Sir Hermann Black, the Chancellor's Committee comprises a group of voluntary workers raising money for projects of university-wide significance. Grants totalling \$1m have been made for a wide variety of projects, including Library art collections and rare books conservations, scholarships, furniture and furnishings for various buildings, equipment, and other minor projects. As far as we know, *Literature and Aesthetics* is the first University-based journal to receive the support of the Chancellor's Committee. The Sydney Society of Literature and Aesthetics wishes to express its sincere gratitude for such unique and encouraging support. Visit the Chancellor's Committee website at: [www.usyd.edu.au/su/ccs/](http://www.usyd.edu.au/su/ccs/)

## The University of Sydney

It is journal policy to include papers in philosophical aesthetics on any of the arts, papers in literature and literary theory, and 'Hands On' work in the form of short poems, stories, essays and black and white art. *Literature and Aesthetics* is a blind refereed journal and all contributions to the journal are refereed.

The editors would like to express their thanks to all the referees for their prompt and informed responses, and to Melissa McMahon, Kate Griffiths and Rowanne Couch for copy editing, formatting, layout and editorial assistance.
