Religious Traditions is published once a year, in May. Subscription rates in Australia: \$15.00 annual; outside Australia US\$15.00 annual. Special rates for Asian subscribers (excluding Japan): \$6.50 annual. All figures are in Australian dollars unless specified otherwise.

RELIGIOUS TRADITIONS

A Journal in the Study of Religion

A publication of
The Department of Religious Studies
University of Sydney

Religious Traditions resumes regular appearance with this issue, towards the publication of which the help received from the Charles Strong Memorial Trust is gratefully acknowledged. We hope that *Religious Traditions* will continue to fulfil its goal of providing access to the fruits of religious research in the antipodes to the rest of the world, and vice-versa, in the years to come.
