Sydney Studies in English is published annually, concentrating on criticism and scholarship in English literature, drama and cinema. It aims to provide a forum for critical, scholarly and applied theoretical analysis of text, and seeks to balance the complexities of the discipline with the need to remain accessible to the wide audience of teachers and students of English both inside and outside the university.

Submissions of articles should be made online at:
<http://escholarship.library.usyd.edu.au/journals/index.php/SSE/about/submissions#onlineSubmissions>

Each article will be read by at least two referees.

Sydney Studies in English is published in association with the Department of English, University of Sydney, NSW 2006, Australia. Visit the Department's homepage at: <http://sydney.edu.au/arts/english/>
